INTRODUCTION

Reference is made to the announcement of the Company dated 9 February 2018. On 11 July

2019, the Company and Vanke Real Estate entered into the Supplemental Agreement, pursuant to which the parties agreed to amend certain terms of the Framework Agreement to accelerate the development of the Project and to further define the parties' rights and obligations and provide further rights to direct the Project to Vanke Real Estate.

SUPPLEMENTAL AGREEMENT

Further details of the material terms of the Supplemental Agreement are set forth below:

Date: 11 July 2019

Parties

- (i) The Company; and
- (ii) Vanke Real Estate

Amendment in respect of Payment Mechanism and Consideration

The total consideration under Framework Agreement was RMB7,265,000,000, comprising: (i) the aggregate sale price of the Available-for-sale Properties of RMB4,750,000,000 and (ii) the consideration for obtaining the right to operate the Entrusted Properties of RMB2,515,000,000.

The actual cash consideration payable under the Framework Agreement was RMB5,366,100,000, being the difference between RMB7,265,000,000 and the development and construction properties fee of RMB1,898,900,000 which Vanke Real Estate had undertaken to pay. Under the Supplemental Agreement, an additional RMB72,640,000 in cash consideration shall be payable by Vanke Real Estate to the Company, representing the increase in the consideration for the right to operate the Entrusted Properties.

As at the date of this announcement, the amount of RMB3,542,000,000 had already been paid by Vanke Real Estate to the Company. Based on the negotiations between Vanke Real Estate and the Company, the aforesaid amount of RMB72,640,000 is expected to be paid by Vanke Real Estate to the Company on or before 16 July 2019. Under the Supplemental Agreement, Vanke Real Estate shall, within 10 days of the initial registration of the title of the Project or 31 December 2023 (whichever is earlier), pay to the Company the remaining amount of RMB1,824,100,000.

Amendment of the Term of Entrustment

Under the Supplemental Agreement, the term of entrustment of the Entrusted Properties shall commence from the effective date of the Supplemental Agreement (instead of date of delivery of the Entrusted Properties as originally provided for in the Framework Agreement) and expire upon the expiration of land use rights of the Nanshan Land (being 26 June 2047).

Amendment in the Rights of Vanke Real Estate over the Land Parcels

Pursuant to the Supplemental Agreement, with effect from the effective date of the Supplemental Agreement, in accordance with laws:

- (i) Vanke Real Estate shall have full power to direct the development, construction, sales, operations of the Available-for-Sale Properties and Entrusted Properties under the Project, and be responsible for all development and construction funds, costs and risks, and be entitled to the revenue in relation thereto; and
- (ii) Vanke Real Estate shall have full power to direct the development and construction of 26,940 sq.m. of office properties and cultural facilities, and be responsible for all development and construction funds, costs and risks, and be entitled to the revenue in relation thereto, and shall deliver the properties to the Company upon completion.

Effectiveness

The Supplemental Agreement shall take effect upon the date of approval of the Shareholders' meeting of the Company.

REASONS FOR AND BENEFITS OF THE SUPPLEMENTAL AGREEMENT

The Group does not possess an experienced and professional team in the development, construction, sales and operation of properties. In order to accelerate the development of the Project and to further define the parties' rights and obligations and provide further rights to direct the Project to Vanke Real Estate, the Supplemental Agreement was entered into between the parties based on the actual status of the Project and after friendly negotiations.

Instead of the expected recognition of RMB2,723,000,000 in profit before taxation upon completion as contemplated under the original Framework Agreement, it is expected that the Group will record a profit before taxation of approximately RMB3,000,000,000 to RMB3,300,000,000 in aggregate throughout the course of the Project, of which profit before taxation of approximately RMB2,600,000,000 to RMB2,900,000,000 is expected to be recognized in 2019 and the remainder is expected to be recognized from 2020 to 2022. The aforesaid profit before taxation shall be subject to the audited financial statements of the Group. The aforesaid profit before taxation was estimated based on the total consideration of the Project, minus the cost of land, the related taxes and other fees. The final completion of the Project is subject to the progress of the cooperation between the parties.

The net proceeds from the sale of the Available-for-sale Properties and the entrustment of the operation rights to the Entrusted Properties under the Framework Agreement and the Supplemental Agreement are intended to be applied by the Company for its general working capital.

The terms of the Supplemental Agreement were agreed after arm's length negotiations between the Company and Vanke Real Estate. Based on the above factors the Directors (including the independent non-executive Directors) are of the view that the terms of the Supplemental Agreement are fair and reasonable and in the interests of the Company and the Shareholders as a whole.
