Voting results: For: 12; Against: 0; Abstained 1.

Mr. Chen Naiwei, Independent Director, is of the view that, given the current financial conditions of Zhongxing Software Technology (Nanchang) Company Limited (中興軟件技術(南昌)有限公司) ("Nanchang Software"), it is difficult to ensure its ongoing ability to perform the contract in respect of the software outsourcing services of the Company that it intends to undertake. Therefore, Mr. Chen Naiwei abstained in his vote in respect of the resolution.

The Board has decided upon discussion that, if Nanchang Software fails to realise a turnaround to profit and reverse its insolvent financial conditions within one year, the Company will discontinue cooperation with Nanchang Software in future.

Mr. Hou Weigui, Chairman, is also chairman of Zhongxing Development, while more than half of the members of the board of directors of Nanchang Software are nominated by Zhongxing Development. Mr. Chen Naiwei, Independent Director, is of the view that, given the current financial conditions of Nanchang Software, it is difficult to ensure its ongoing ability to perform the contract in respect of the software outsourcing services of the Company that it intends to undertake.

For details of the connected transaction, please refer to the “Overseas Regulatory Announcement” published on the same date as this announcement.

Notes:

1. Zhongxing Development holds a 40% interest in Nanchang Software and nominates more than half of the members of the board of directors of Nanchang Software, and is therefore capable of controlling the majority of the board of directors of Nanchang Software. This falls within the scope of Rule 10.1.3 (V) of the Shenzhen Listing Rules. In accordance with the principle of “substance over form,” Nanchang Software is a related party of the Company.

2. In accordance with the Hong Kong Listing Rules, as Zhongxing Development nominates more than half of the members of the board of directors of Nanchang Software and is therefore capable of controlling the majority of the board of directors of Nanchang Software, Nanchang Software is an associate of Juxian and is therefore, in accordance with Rule 14A.11 of the Hong Kong Listing Rules, a connected person of the Company.

Pursuant to Rule 14A.33 (3) (b) of the Hong Kong Listing Rules, if a transaction is based on normal commercial terms and none of the 5 test ratios for the transaction amounts of the transaction concerned exceeds 1%, the Company may be exempted from the reporting, announcement and independent shareholders’ approval requirements. In accordance with Rule 14A.25 of the Hong Kong Listing Rules, the estimated amount of the Company’s connected transactions with Huatong and Nanchang Software in 2012 shall be aggregated and, as each of the aggregated test ratios has been tested to be less than 1%, the Company’s said connected transactions with Huatong and Nanchang Software is exempted from the reporting, announcement and independent shareholders’ approval requirements.

VI. Consideration and approval of the “Resolution on continuing connected transaction relating to the provision of financial services,” the details of which are as follows:

1. That the execution of the “2012 Financial Service Agreement” between ZTE Group

Finance Co., Ltd (“ZTE Finance”), a subsidiary of the Company and Shenzhen Ruide Electronic Industrial Company Limited (“Ruide”), a related party, with an estimated maximum balance of RMB369.27 million for loans and notes discounting services, daily outstanding loans and discounted notes (principal cum interests) provided by ZTE Finance to Ruide in 2012 under the agreement and an estimated maximum service fee of RMB2 million for the provision of settlement and other financial services from ZTE Finance to Ruide in 2012 be approved.

2. Notes:

1. Neither Ruide nor Lead is a related party of the Company under relevant provisions of the Shenzhen Listing Rules.

2. Ruide is a connected person of the Company under Rule 14A.11 (5) of the Hong Kong Listing Rules because Shenzhen Zhongxing Xindi Telecommunications Equipment Company Limited (“Zhongxing Xindi”), its substantial shareholder holding a 23% equity interest, is a connected person at the level of the Company. (Note: Zhongxing Xindi is a non-wholly owned subsidiary of Zhongxingxin and therefore an associate (within the meaning of the Hong Kong Listing Rules) of Zhongxingxin, who holds a 70% equity interest in Zhongxing Xindi. As Zhongxingxin is the controlling shareholder and one of the promoters of the Company, Zhongxing Xindi is a connected person of the Company as the associate of Zhongxingxin.)

3. In accordance with Rule 14A.11 (5) of the Hong Kong Listing Rules, Lead is a connected person of the Company because Zhongxingxin, its substantial shareholder with a 22.5% equity interest, is the controlling shareholder of the Company and constitutes a connected person of the Company pursuant to the Hong Kong Listing Rules.

4. As one or more applicable percentage ratios of the aforesaid proposed annual cap for the continuing connected transactions entered into by ZTE Finance with Lead and Ruide exceed 0.1% but are less than 5% on an aggregated basis, the continuing connected transactions are subject to the reporting and announcement requirements under the Hong Kong Listing Rules and are exempted from the independent shareholders’ approval requirement under the Hong Kong Listing Rules.
